Thank You	

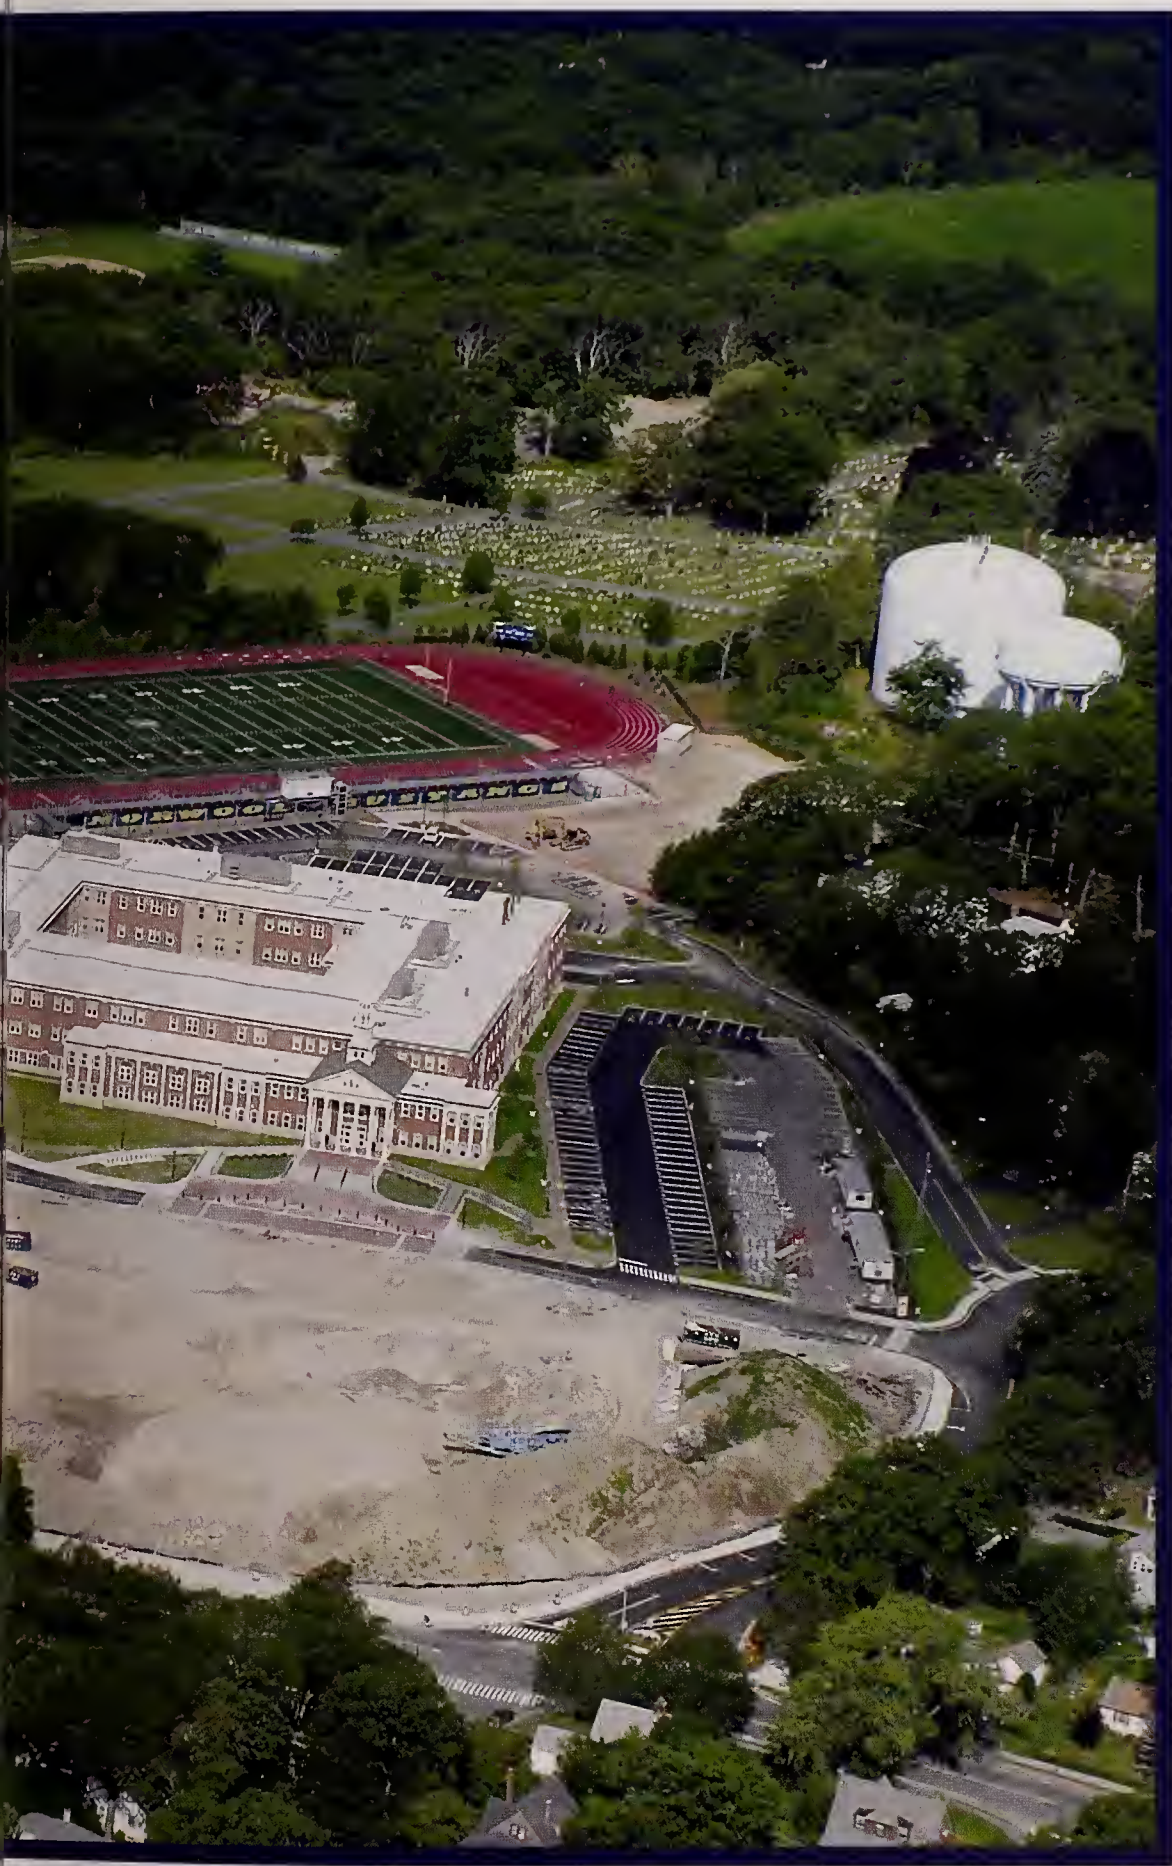

You're born with a hatred for Walpole -- You go to the Norwood vs. Dedham Thanksgiving Game every year -- You eat at Conrad's religiously -- You've fundraised at a car wash in the Civic parking lot -- You, your parents, & your grandparents have all had the same teacher -- You have a mustang sticker on your car -- You remember what Ice Jack's was -- Norwood Day is actually a holiday -- Everything in town is a "5 minute walk" -- You've had Boston Magazine's best "chicken salad sandwich" at D&G Deli -- You've been dismissed from school for a bomb threat -- There's never been a night football game at home -- All you wear is Day St. Sports gear from head to toe -- You spend your winters skating at Froggy's with friends -- "salty" is part of your daily vocabulary -- You know where every speed trap in town is -- You go to SPoT! at least twice a day -- You remember what the Learning Express was -- You go to the town common for Prom pictures -- When school committee meetings last until 2 AM -- When you have a brand new school and the DINING HALL leaks

You are a Twitter hero -- Friendly's is a place of celebration -- Senior Assassin keeps you locked in your house -- You go to Murph's every weekend for breakfast -- You don't go to "Cape Cod" you go "down the Cape" -- You've been

to a dance at the Civic Center -- You live in a "small town" in every sense of the word -- The four seasons are winter, winter, winter still and road construction -- You know who Alfred Fincher is, and you've met him -- They're called "rotaries" not "round-a-bouts" -- You're in a Facebook group called "You know you're from Norwood when..." -- You spent all of middle school at the Kelly & Wall fields -- You've had a banquet at the OCC -- You've been to a neighborhood block party -- You've been to a birthday party at the bowling alley -- You played on the cannon when you were little at the Concerts on the Common -- You played youth soccer growing up -- You know what the Turkey Trot is -- You refer to Route 1 as "the Automile" -- You met all your

future friends at D.A.R.E. Day -- you walked around Norwood Center on half days in middle school -- after 85 years, you finally get a brand new high school

The Norwood High Class of 2012 would like to dedicate this years TIOT to

Ms. Mahoney

Ms. Mahoney graduated from Girls Latin School in Boston and from Fitchburg State College in 1976. She began working in the Norwood Public Schools as a tutor and substitute teacher in 1977 and started at Norwood High School as a special education teacher in 1980. Over the course of the years she has worked with all levels of special education students and has introduced new courses for special education students into the curriculum. She has served on the Norwood High School Council and been a mentor to many teachers at the high school. Ms. Mahoney will always be remembered as an educator and team member whose main concern was the needs of the students. She will be missed and fondly remembered by her colleagues and all her students.

Mr. Lyons

Mr. Lyons earned his degree from Boston State, an institution that no longer exists, and began working as a member of the Norwood High School English Department right after the Civil War, or so he tells his students. During his 32 years at NHS, Mr. Lyons has been both advisor to the Writing Club and Newspaper and coach of Volleyball and Track. As a recipient of two grants from The National Endowment for the Humanities, Mr. Lyons spent two summers studying in Ohio and Kansas. Mr. Lyons is the proud father of three children, two of whom are NHS alumni. Citing his long commute and advanced age as the reasons for his retirement, Mr. Lyons leaves NHS enjoying teaching and liking the students as much as he did the day he arrived.

Ms. Bradbury

Ms. Bradbury is a graduate of Norwood High School and had Mr. Usevich as a homeroom teacher! She graduated from Bridgewater State College and has been teaching in Norwood since 1974. She taught for many years at Norwood Junior High North, and then taught for one year at Cleveland Elementary School before coming to NHS as a special education teacher in 1989. She has served 16 years on the Norwood High School Council, has been a mentor to new teachers, and was a former member of the Faculty Senate. Ms. Bradbury is known for being very passionate about her job, and is always remembered by her former students. Some students say they couldn't have graduated without her. She has worked with hundreds of students in her Learning Center and feels wonderful about helping them to develop skills for success not only at NHS but also for college and beyond. She will be sorely missed by her department and by everyone at NHS.

In Honor Of Kevin P. Morrison

The Norwood High Class of 2012 would like to honor the life of Kevin P. Morrison, the former football and hockey captain of 2007, and graduate of the class of 2008. He will always be loved and forever missed.

Cheerleading

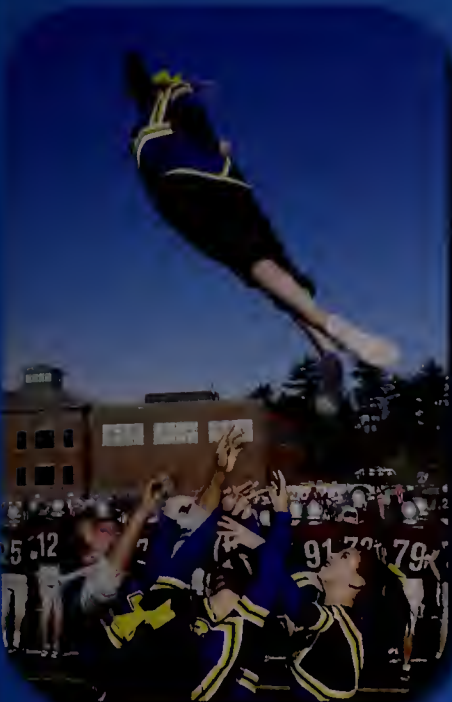

2011 Season

This season proved to be a very successful one for the 2011 Fall Norwood High School Co-Ed Varsity Cheerleading Squad. At the beginning of the season the team competed in two invitationals which they won first place. After revamping the routine due to injuries the team competed at Bay States and scored high enough to advance to the South Regionals securing the squad a place at the State Tournament. At this time they were 19th in the State Overall. At the state competition the team delivered the routine of their lives, coming in 1st place in the State in their Co-Ed Division. This amazing win gave Norwood their first National since 1994!

Field Hockey

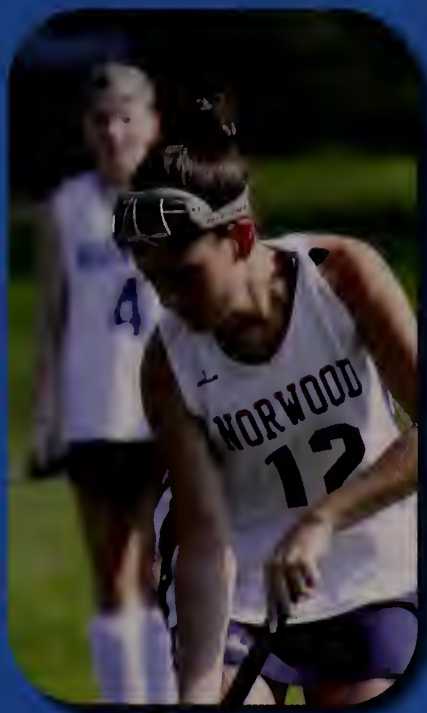

2011 Season

The 2011 field hockey team led by senior captains Melissa Chisholm, Jackie Walsh, and Marykate Galvin, had a very successful year for the program. The girls finished 7-7-4 overall and reached their goal of qualifying for the State Tournament. This was the first time the team made tournament in the past four years. The final game of the season was the biggest thriller. The girls overcame many obstacles in the game and ultimately beat Newton North 3-1. The exciting win clinched their berth to the State Tournament. After this successful season, there is no doubt that all 12 seniors will be greatly missed.

Swimming

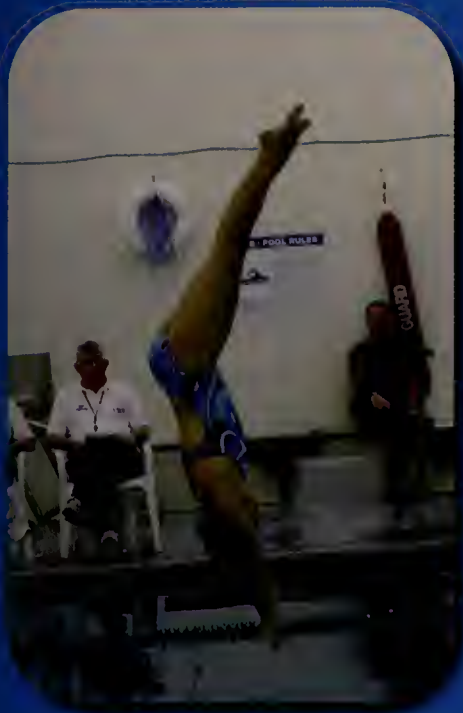

2011 Season

NHS Swimming and Diving began with a solid group of returning swimmers and divers, as well as a group of new high school swimmers and two divers who had very limited competitive experience swimming or diving competitively. The newer swimmers and divers worked hard to learn the skills and develop the endurance needed for the longer events. The veteran swimmers and divers developed a work ethic that, as a group, was unmatched in previous years. Their efforts certainly paid off as we ended the season with a 10 and 3 records, coming in 2nd in the Herget Division of the Bay State League with 100 points. Patricia Lee was named a Bay State League All-Star. Throughout the season, we broke too many team records to count. We went on to the Sectional meet, placing 8th out of 14 teams, which was quite an achievement. We had a Sectional Champion and new meet record holder, Will Higgins. We also lowered 15 of our team records at Harvard. Seven swimmers qualified and went to MIT to compete at the state tournament. Every swimmer set a best time and scored points for the team and broke 10 more team records.

Boys Soccer

2011 Season

Though the record didn't show it, the Norwood Boy's Soccer team had a successful and historic season in 2011, finishing 5-14-1. The team made the MIAA State Tournament, winning their first ever tournament game in history, beating Blue Hills. The team came in second in the Needham Bank Tournament. A highlight of the season was beating Wellesley for the 4th time in 80 tries. Senior captains, Tommy Bartucca, Alex Higgins and Andrew Stover held the defensive end and mid field, while Junior Captain Tyler Gonçalves led the attack on offense and led the team in scoring. The boys suffered a hard fought 1-0 overtime loss to Norwell to end their historic season. We wish the 10 seniors good luck in their futures.

Volleyball

2011 Season

The girls volleyball program is comprised of 12 athletes on three teams. Represented by 12 athletes, the varsity team is an active group of girls continually looking to improve. Despite a chaotic fall season, the girls conditioned, practiced 6 days a week and bonded as a team. Hosting a multitude of pasta dinners and discovering fundraising success, the girls continue to work toward the development of their program. Led by captains Sam Hess, Sha Reen and Meg Way, the team earned their first win at the new gymnasium on October 14, 2011, defeating Framingham in a 3-1 victory. The team wishes their four seniors (Sam Hess, Amber Martin, Tea Pasholli and Meg Way) luck on their next endeavors.

Cross Country

2011 Season

The boys and girls cross country teams had many struggles this year, combining for only three wins, but they finished the year strong. Seniors on the team were Becca Dyckes, Molly Smith, Brendan Zablocki and Captains Joey O'Connor and Owen Smith. The girls were lead by captains Kelsey Colbert and Alana Keady. The teams suffered several injuries throughout the season, but the year was an overall positive one due to great team bonding and many individual improvements. Norwood hosted the Bay State Conference Championships at Coakley Middle School where the girls had an amazing team effort that led them to beat two teams that they had lost to in regular season. The year wrapped up with the Eastern Mass. meet at Franklin Park. The large number of talented underclassmen on both teams will provide much success in the future.

Golf

2011 Season

With only two varsity starters graduating from the previous year, the 2011 squad was looking to make a serious impact in the Bay State Conference. Senior captains, and league All-Stars, Mark Magglo and Jake Ranalli were a solid 1-2 punch at the top of the line up. The team also recieved a boost from tri-captain Greg Gillis, and rising sophomores, John Galvin and Walker Alexander, to finish at 7-8 on the season; a marked improvement from the 3-8 record last season. The team thanks the seniors for their hard work and dedication and wishes them well in all their future endeavors.

Boys basketball

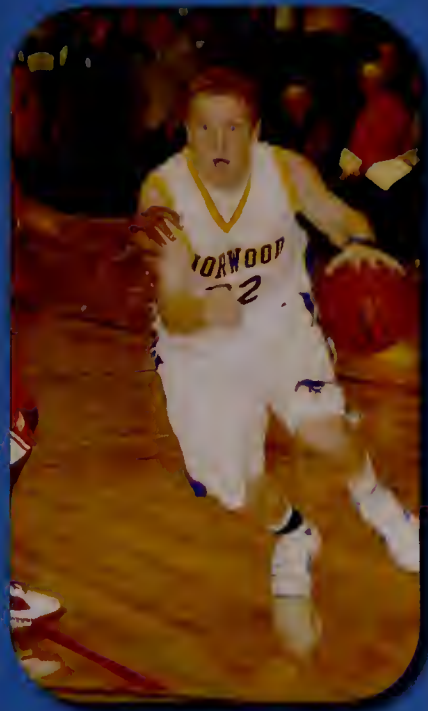

2011 Season

The 2011-2012 season was a season of ups and downs with some great wins and some tough losses. The team finished the regular season at 11-9. We swept rivals Dedham and Walpole 4 great games. After trailing Dedham by 10 on the road, the team responded with a 20-5 run and went on to win 51-44. The team also put in strong performance on senior night to defeat Dedham once again holding the visitors to only 39 points. The team clinched a tournament berth with a victory at Walpole on their senior night. Other great wins this season included defeating Brookline, Needham and Wellesley. After earning the 12th seed in the DII tournament, we traveled to Medfield and defeated the #5 seed in their own gym 62-50 behind strong performances from senior captains Sean O'Neill and Tommy Munro along with the hot shooting of Daron English (Jr), Troy Sousa-Semper and Steve Martinez. The Mustangs then traveled to Canton to take on #4 Stoughton. After trailing by 13 at halftime, the team refused to give up and cut the lead to 2 with minutes and down 3 with 30 seconds to play but unfortunately we came up a bit short in losing to a tough Stoughton team. The seven seniors will be greatly missed next year.

Girls Basketball

2011 Season

The girls basketball team finished with a 6-4 record that was better than most expected.

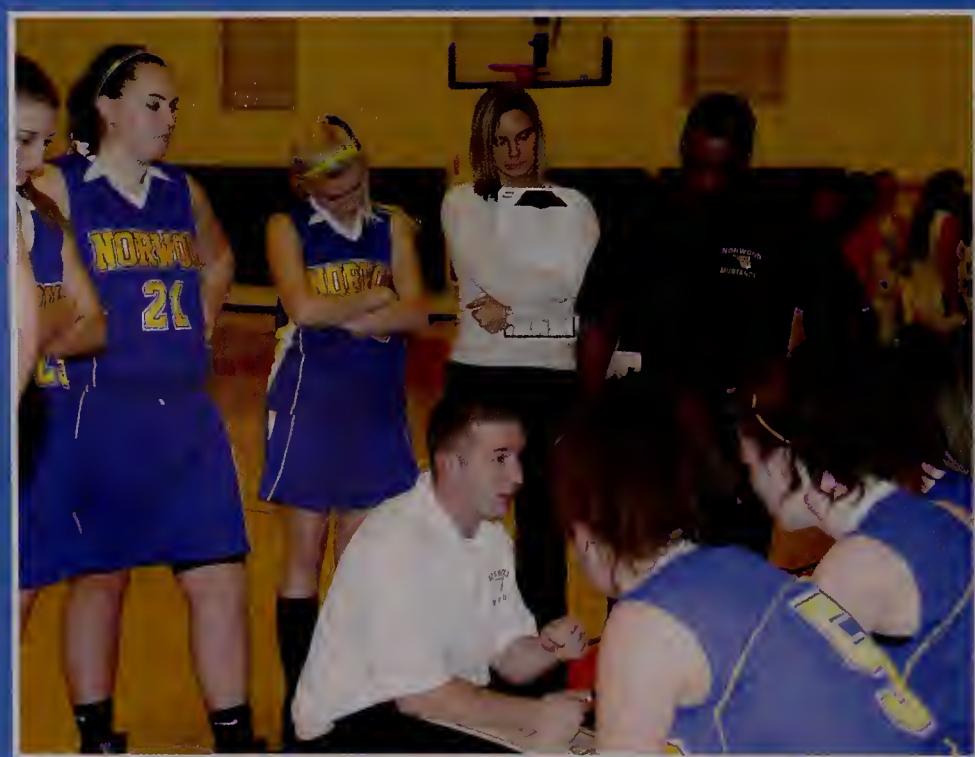

The varsity team did not have a lot of experience entering the season, but will be returning 11 players next year. The team was

very comfortable playing the brand new gymnasium, and posted a 5-3 home record.

One of the season highlights was beating Canton, 42-40, after being down by 11 entering the fourth quarter. Freshman Amy

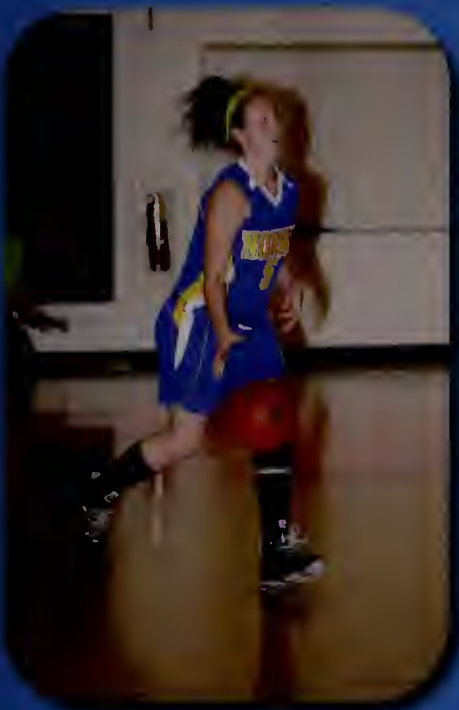

Duggan was selected as a first-team all star in the Bay State League. The team's lone senior,

Meghan O'Connor, earned all-league honorable mention.

The girl's gymnastics team had a great season this year. The team score along with the individual scores had increased throughout the season. At the Bay State meet Kristen Folan placed second on vault and Kellie McClure placed fifth on beam. The team had great efforts on all events and had moved from ranking eighth to sixth by the end of the season.

We wish good luck to all the seniors: Kesleigh Eysie, Vicky Driscoll, Kellianne Symes, Kellie McClure and Shawni Rose.

Wrestling

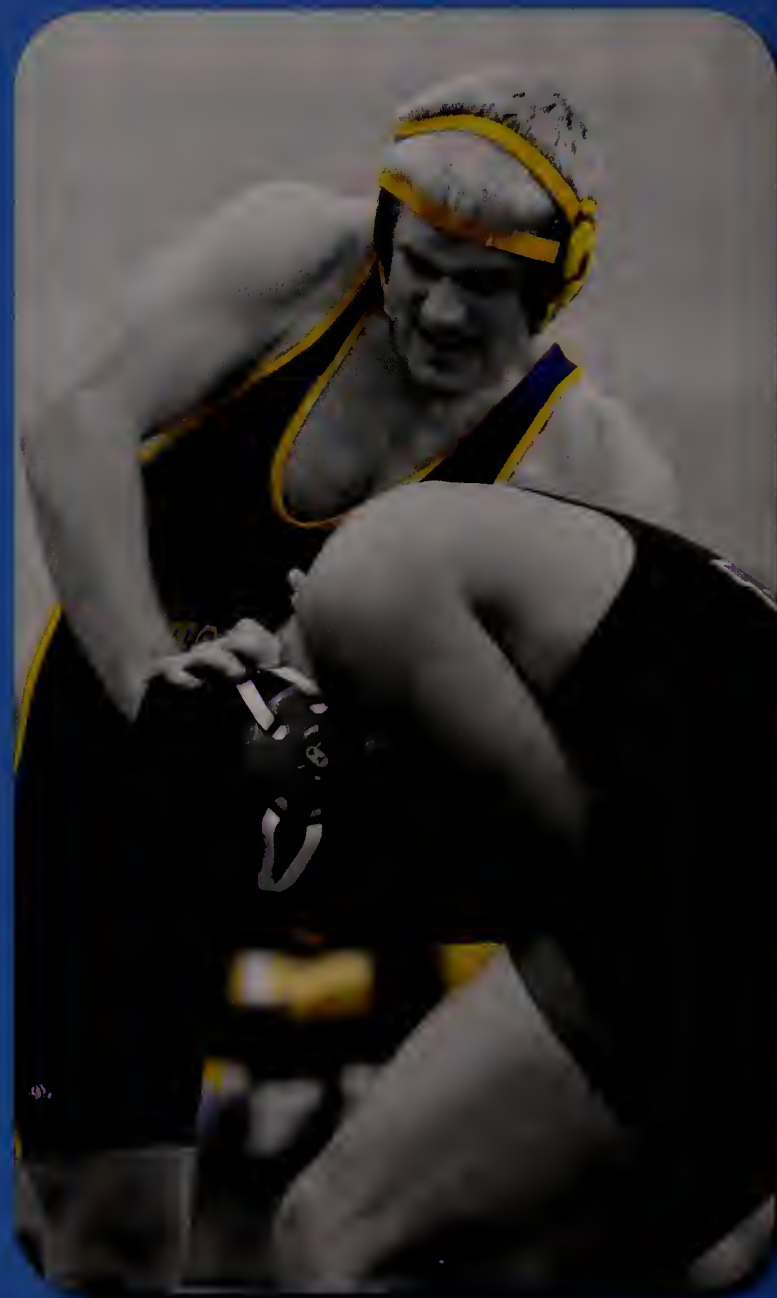

2011 Season

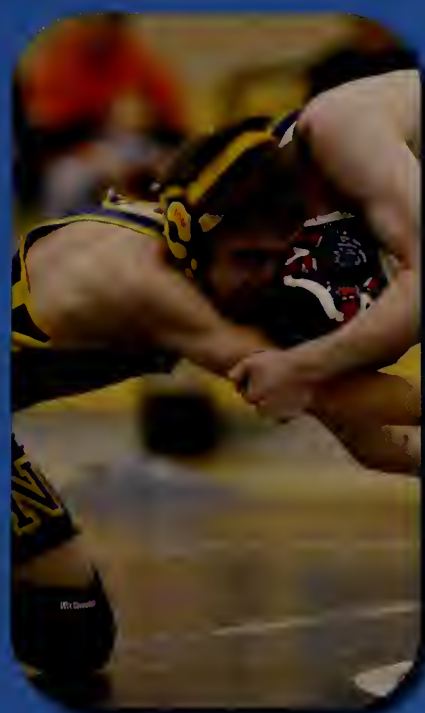

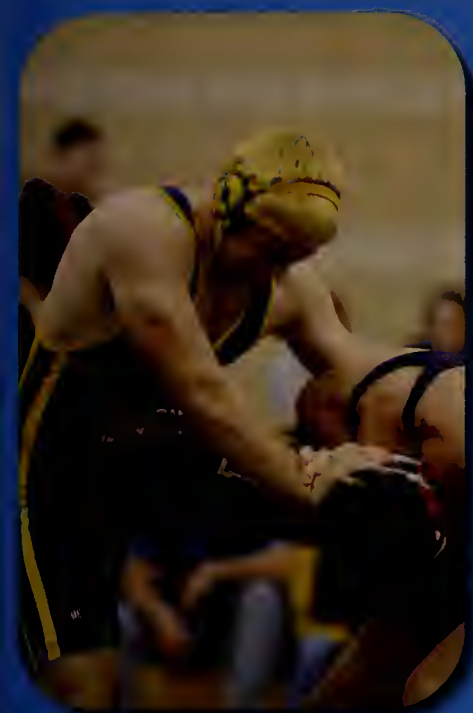

The members of the wrestling team worked very hard this year. The season was capped off with a pair of triumphs. At Sectionals Quincy Wilson was crowned champion, and at the Division II state tournament Mark Saulnier took home the title (a first for Norwood wrestling since 1989).

In the midst of all the hard work, the team did manage some lighter moments. Singing and grooving on the padded dance floor were usually led by Tyler, Shaq, and Quincy. Sometimes the practice room looked more like an episode of the X Factor.

The underclassmen and coaches wish all the best the future has to hold for the seniors. Hutch, Q, Shaq, Sizzle, Zblock, Rita, and Brandon.....GOOD LUCK.

Girls Hockey

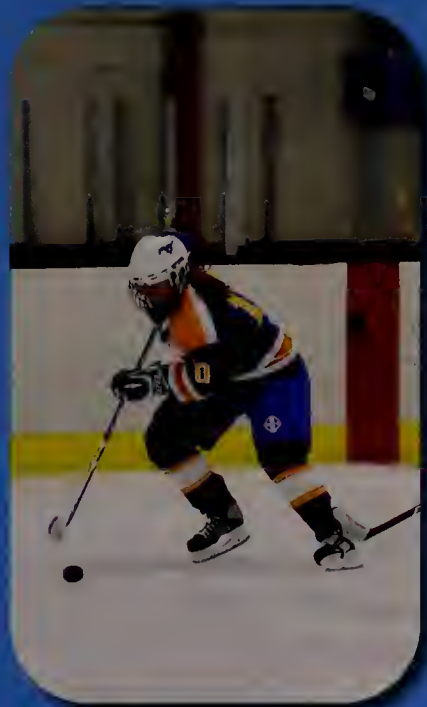

2011 Season

The girls hockey team had a very successful season ending with an impressive record of 16-1-5. The team was ranked 4th in the state going into the tournament and lost a heartbreaker to Belmont in the quarterfinals. This year's team had a chemistry, which coupled with skill, carried them through the season. Some highlights of the season were a 4-1 win over Braintree, a 5-1 win over Dedham and a 6-2 win over Wellesley, and of course our tournament game versus Martha's Vineyard where we scored with 50 seconds to play to win it 4-3. Our seniors Captain Hayley O'Rourke, and goalie Nicole Casey will be greatly missed next year!

Boys Hockey

2011 Season

The Norwood Boys Hockey team entered the season with high expectations and 12 seniors on the team including Coach Matt Brown. The team did not disappoint, finishing with a 14-3-4 record after a 21 game season. Led by senior captains Peter Kelly and Brendan Cathcart and assistant captains Andrew A. and Mike Murray, the Mustangs started the year off against the Super 8 contending Hingham Harbormen. The Mustangs were handed a 2-0 loss but bounced back with four straight wins thanks to junior goaltender Jordan Davis holding opponents to goals in those 4 games. With ties to Wellesley, Natick, Weymouth and Milton, the Mustangs continued to beat Needham in a battle for the top spot in the Bay State Conference. The team finished off the season on a high note beating Walpole in a 2-1 thriller on senior night. The Mustangs headed into the tournament with the Old Colony League champion Barnstable Raiders on the schedule and came out with a 2-1 victory thanks to goals by seniors Alti and Kyle Dolan. The Mustangs fell to Natick in the south semifinals 1-0 but finished the season winning the Herget Division and tying for the overall Bay State Conference title, the first team to do so since 2006.

*And so we talked all night about the rest of our lives
 Where we're gonna be when we turn 25
 I keep thinking times will never change
 Keep on thinking things will always be the same
 But when we leave this year we won't be coming back
 No more hanging out cause we're on a different track
 And if you got something that you need to say
 You better say it right now cause you don't have another
 day*

*Cause we're moving on and we can't slow down
 These memories are playing like a film without sound
 And I keep thinking of that night in June
 I didn't know much of love
 But it came too soon
 And there was me and you
 And then we got real blue
 Stay at home talking on the telephone
 And we would get so excited and we'd get so scared
 Laughing at ourselves thinking life's not fair
 And this is how it feels*

*As we go on
 We remember
 All the times we
 Had together
 And as our lives change
 From whatever
 We will still be
 Friends Forever*

*So if we get the big jobs
And we make the big money
When we look back now
Will our jokes still be funny?
Will we still remember everything we learned in
school?*

*Still be trying to break every single rule
Will little brainy Bobby be the stockbroker man?
Can Heather find a job that won't interfere with her
tan?*

*I keep, keep thinking that it's not goodbye
Keep on thinking it's a time to fly
And this is how it feels*

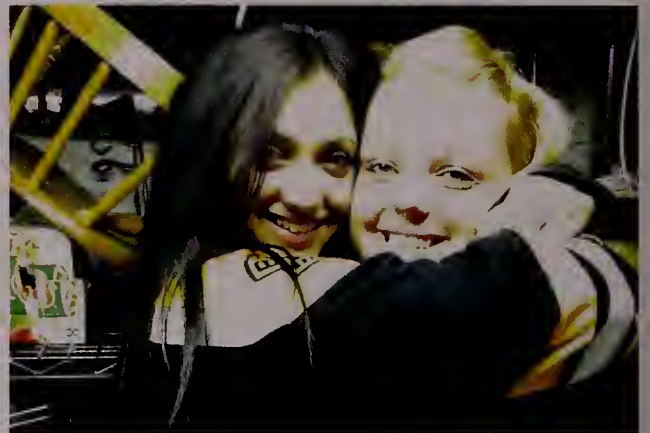

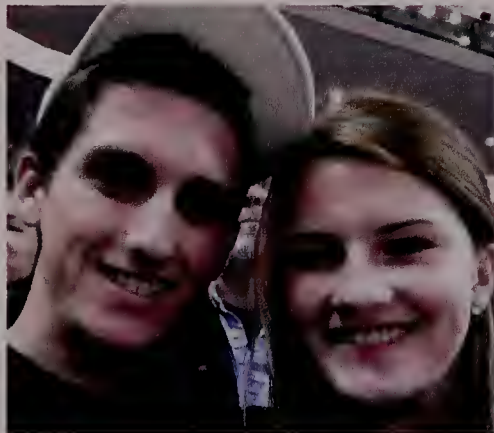

*La, la, la, la:
Yeah, yeah, yeah
La, la, la, la:
We will still be friends forever*

*Will we think about tomorrow like we think about now?
Can we survive it out there?
Can we make it somehow?*

*I guess I thought that this would never end
And suddenly it's like were women and men
Will the past be a shadow that will follow us 'round?
Will these memories fade when I leave this town
I keep, keep thinking that it's not goodbye
Keep on thinking it's a time to fly*
